What do I stand here for?

What do you expect?

You want a master plan?

A call to arms? a manifesto?

No, you'll get nothing like this

It's just my trying to act my anger

My anger - not the revolution

My inner struggle - not yours

(Laughing, crying, screaming)

My anger - not the revolution

My war - not the world's

(Smiling, dancing, fighting)

I just try to express my feelings

I don't care what you say, I just try to express my feelings

Our hearts don't beat 1, 2, 3, 4

Hardcore? honesty? expression of feelings

Sometimes all this feels so senseless

Like standing on stage, entertaining a crowd

That has come to dance and doesn't give a fuck

About what we really feel about our songs

This is no entertainment!

This means so damn much to us

Emotion is life

We need more love songs in hardcore
