When it all was dark  
He was telling me that it was happenin'  
He was in the Arc  
I was swimming there keeping from laughin'

I was like a kid  
In a candy store  
A kid  
I just wanted some more

When they chose your name  
They were wonderin' how they had found you  
I know that I was blamed as the evil one  
I could surround you

Baby I know  
I'm a child of God  
I know  
If I like it or not

When it goes fast  
People look at me waiting for reasons  
It's never gonna last  
One day I'm gonna sneak up and teach them

Baby I know  
I'm a child of God  
I know  
He really loves me a lot
