I
I'm falling in season
With their reason
They can lead me on a line
Or throw me over again
To leave the blanket on the child
Just to know your heart is near
In the land of many many
They're choking on a spark

Makin up some fake romance
Tell me lies that I can understand
Cuz baby you're crazy

Aint the truth just second hand?
If it is then I don't give a damn

Cuz baby I'm lazy

I
I strap on the muzzle
We're in trouble
It's a very cool design
It'll blow your fuckin head!
To lead it on and on and on
Burnin in the stratosphere
In the land of plenty plenty
They're choking on a spark

If you like my crayon hands
Hug my hair and I'll make my demand
Cuz baby I'm crazy

We could rob this whole damn land
Give it back to all the indians
But baby I'm lazy

And I don't wanna be alone
I don't wanna be alone
No
No
I never wanna be alone

I don't
Wanna be alone
No
No
I never wanna be alone...
