Fade away
In time it breaks apart
Make mistake
Then you get it somewhere far

Cuz I get out of town
I get out of town
I get out of town
I get out of town
I get out of town
I get

Put your money down
Put your money down
Put your money down
Put your money down
Put your money down
Put your money

Burn away
If you ever want to start
Make mistake
A little playground in the yard

Cuz I get out of town
I get out of town
I get out of town
I get out of town
I get out of town
I get

Put your money down
Put your money down
Put your money down
Put your money down
Put your money down
Put your money

Cuz I've been searching for a sheep to keep me off the
line

I get out of town

I get out of town
I get out of town
I get out of town
Cuz I've been searching for a sheep to keep me off the
line
And bands come shaking up the sheets
It leaves my ticket fine
