Whoa, before you get started
I have something to say

I don't suck, I don't suck
I don't suck, I don't suck
I don't suck, I don't suck
I don't suck, I don't suck

I know one look is depressing to see
'Cause you know, you can't be better than me
Start at the bottom and long for the top
I'll always be here to make your dream stop

I've got it all from head to toe
Looks, brains, class, you'll never know
Second place is the best you'll ever do
Be happy with that before I do worse to you

I don't suck, I don't suck
I don't suck, I don't suck
I don't suck, I don't suck
I don't suck, I don't suck

Envious eyes just stare at my gold
My life is on fire and you're ice cold
What could you do that would ever scare me?
All of you out there, I'm a dog, you're a flea

Anything you can do, I can do better
Even when I rap, I rap more better
It's like this body when wrapped in leather
Perfection and it gets no better

I rap like I wrestle, envy of others
The only white rapper in tune with the brothers
Hello Johnny, all eyes on me and if I was you
Best believe, I'd keep my eyes on me

Two hundred plus pounds of a body splendid
Braggadocious, oh, so ferocious, focused
History suspended, skills uncontendable
Live at the top attributes won't stop, start

Mastered the ring and the mic alike
Eloquent with words while I move catlike
Hot, ohh, I can't be stopped
And now rap meets rock and it's time that you drop,
drop

I don't suck, I don't suck
I don't suck, I don't suck
I don't suck, I don't suck
I don't suck, I don't suck
