Sometimes you cry  
Cry sometimes  
What you gonna do when the bullet comes round?  
What gonna do when the seas are down?

Lickin' like a lion with a big cat heart  
Checkin' in the dark, bein' quick, bein' smart  
Live it like you love it, do it let's go  
Blowin' with the giant, saying fe fi fo

Stuck on the way you walk  
Hooked on the way you talk  
Stuck on the way you walk  
Hooked on the way you talk

Tell me it's the way you feel  
Not the place you hold your dreams, baby  
It's not where you are

Tell me it's the way you feel  
Not the place you hold your dreams, baby  
It's not where you are

One day we'll fly  
Fly from the wack o' ma mind  
Hope you're here to stay to see the bullets go round  
People working out with their sun hats on

Kiss me like a tiger with a big cat heart  
I'll read it if you buy it, feelin' quick bein' smart  
Lookin' at the devil, poking man's stone  
Blowin' with the giant, fe fi fo

Stuck on the way you walk  
Hooked on the way you talk  
Stuck on the way you walk  
Hooked on the way you talk

Tell me it's the way you feel  
Not the place you hold your dreams, baby  
It's not where you are

Tell me it's the way you feel  
Not the place you hold your dreams, baby  
It's not where you are

Live it like you love it  
Live it like you love it

Live it like you love it  
Live it like you love it  
Live it like you love it
