the sick and complicated eyes are mine
to find a way inside the hold you
break the one you break
you should have done inside
leave me alone
i can't take forever i know -
leave me alone
i can't take forever i know
the sick and complicated eyes are mine
to find a way inside watch out

you're going to burn yourself
you hate yourself which way inside
leave me alone i can't take forever
i know leave me alone
i can't take forever
i know happiness is hard
when i am stretched out ahead
on the floor that's what I read
