Physically I resemble a vulture - too close
To meaning when the world is telling me -
Don't go
And I can't even sell myself. The moods
Of a foreigner and the beating(s) of
A train conductor
Physically I resemble a dog - no bones for
This one when the butcher is out for me -
Don't go
And I can't even save myself and you're
Brutality is obvious to me, please

Inside of me I am going to break up every
Part of her, not here
Inside me. I want to break up every (break
Up every part of her) not here

Physically, you resemble a swan
Your femininity or girlish appeal
I don't know?
And she can't even save herself. You were
Going nowhere now you're way down here
With me. Please

Inside of me I am going to break up every
Part of her, not here
Inside me. I want to break up every (break
Up every part of her) not here

When the one has been overthrown, the
Way you look at me from an open fire. I
Could have died although I am alright now
You're twisted, determined and begging
For peace

Inside of me I am going to break up every
Part of her, not here
Inside me. I want to break up every (break
Up every part of her) not here

Inside of me I am going to break up every
Part of her, not here

Inside me. I want to break up every (break
Up every part of her) not here
