This one knows, she comes and goes
And she goes, she goes
This on knows, she comes and goes
And when she goes she goes
Sproston Green, she used to pace me
And now she hasn't got the time
I know I'm to necessary
And ev'rything she stole was mine
This one knows, she comes and goes
And she goes, she goes

This on knows, she comes and goes
And when she goes she goes
Sproston Green, she used to hate me
And now she hasn't got the time
I know I'm to necessary
And ev'rything she stole was mine
You've got this one, I've got no one
She's oh she's mine something wrong.....
oooh.....
