I bet'cha them bullets can surely blow  
Me back to hell all down we go  
Lick your belly and I make you smile  
I hear ya, I'm achin' I'm milkin' the miles

Honey I don't mind  
[Incomprehensible]  
I'm a tramp and I love you  
Hold me down, hold me down

Mesmerisin' me  
All the world can see  
I can sing, oh yeah  
I'm drivin' in the back seat of your love

Shooting stars don't make you see  
You're living on love I can feel its real  
Lick your belly and I make a smile  
I hear ya, I'm achin', I'm milkin' the miles

No milk don't melt  
In the back of my mouth  
I'm a tramp and I love you  
Hold me down, hold me down

No milk in the back of my mouth  
No milk in the back of my mouth  
No milk in the back of my mouth

Mesmerisin' me  
All the world can see  
I can sing, oh yeah  
Don't need no bore, a tellin' me

You can have it all  
You can have it all  
You can have it all  
I'm driving in the back seat of your love

Mesmerisin' me  
All the world can see  
I can sing, oh yeah

Don't need no bore, a tellin' me

You can have it all  
You can have it all  
You can have it all  
You can have it all

You can have it all  
You can have it all  
You can have it all  
I'm driving in the back seat of your love
