Show me the diamonds
Show me the gold
[Incomprehensible] me the answer, oh yeah
Call me anywhere
I don't have a care
This is my world

You're so pretty, we're so pretty

Show me the silver
Show me the gold
You're taking my name, Angel
Don't disappoint me
I see you smiling
Tie up my elbows, no joke

Talking to the Devil
Talking to the Lord
For one sweet touch
Talking me to Heaven
Talking to me to Hell
For your sweet touch

You're so pretty, we're so pretty
You're so pretty, oh, so pretty

Show me the money
Show me the money, baby
Show me the money
Show me the money, baby

Show me the money
Show me the money, baby
Show me the money
Show me the money, baby

You're so pretty, oh, so pretty
You're so pretty, we're so pretty

All the hours
Asking questions
Couldn't fit in, wasting time

Keep coming back
For a little more
I see you smiling

Feed me to the lions
I'll throw you to the floor
For one sweet touch
Diamonds in the rain
Will always be the same
When there's a rainbow

You're so pretty, we're so pretty
You're so pretty, oh, so pretty

Show me the money
Show me the money, baby
Show me the money
Show me the money, baby

Show me the money
Show me the money, baby
Show me the money
Show me the money, baby
