I've got so much to thank God for
So may blessings and so many open doors
A brand new mercy
Along with each new day
That's why I praise You
For this I give You praise

For waking me up this morning
That's why I praise You
For starting me on my way
That's why I praise You
For letting me see the sunlight of a new brand day
A brand new mercy along with each new day
That's why I praise You
For this I give You praise

You're Jehovah Jireh
That's why I praise You
You've been my provider
That's why I praise You
So many times You met my need, So many times You
rescued me
That's why I praise You
I wanna thank You for the blessings You give to me
each day
That's why I praise You
For this I give You praise

For every mountain You brought me over
For every trial you've seen me through
For every blessing
Hallelujah, for this I give You praise
