Chorus

I am the one that came back to say thank You Lord

For all that You've done

I'm grateful for everything You've done

I had to come back

My heart made me run back

And tell You thank you

Thank you, thank you

I had to come back

My heart made me run back

And tell You thank you

Lead

There's an old familiar story

Reigning over in glory

There were ten men who were bound

And dying from leprosy

They said, if we can just get to Jesus

We know He can free us

And just as they believed, Jesus spoke

And healed their infirmities

Oh! nine of the lepers were so excited about their
miracle

They turned and ran away

And they never took the time to stop
And give thanks to their Healer
Ohâ€¦ but one of the lepers didn't follow the crowd
But he ran back to Jesus and cried out loud
He said, there is no way I could just turn away
I had to come back and say
Thank you Jesus!

Chorus

Bridge (stretch)
Thank you Lord
Thank you Lord
Thank you Lord
I had to come back
My heart made me run back
And tell You thank you
Thank You, thank You
I had to come back
My heart made me run back
And tell Youâ€¦

(Thank you Lord)

Vamp
Had to come back and thank You
Lord I thank You
(Repeat)

Lord I thank You
(Repeat)

I had to come back
My heart made me run back
And tell You thank you
