What can we offer unto our God, the mighty Jehovah,
the awesome God, the world and the universe are His
art. What can we give to touch His heart.

We offer you praise, we offer you praise, we offer you
praise. Please accept our offering.

What can we give as a sacrifice, to the one who has
blessed us with breath and life. What do we possess
that can pay such price, all we can offer Him is praise

We offer you praise, we offer you praise, we offer you
praise. Please accept our offering.

Hallelu, Hallelujah....(3 times)
Please accept our offering

With music and singing and with our dance, hallelujah
resounding with lifted hands, we honor this blessing of
one more chance, another chance to offer You our
praise

We offer you praise, we offer you praise, we offer you
praise. Please accept our offering.

Hallelu, Hallelujah....(3 times)
Please accept our offering

Forever You reign as our King, Forever your praises
we'll sing, the Great I Am, the worthy Lamb, so we bring
this praise offeringOH

We offer you praise, we offer you praise, we offer you
praise. Please accept our offering.

Hallelu, Hallelujah....(3 times)
Please accept our offering
