I'm being stalked by you  
i'm pursued by a woman  
determined to have her way with me  
i've got to make her see  
that the bird she hunts has flown

i've seen that look before  
there's a hunger in your eyes  
i am to be the price to be  
and through the closing door  
quoth the raven nevermore

your love is like a pistol you hold to my chest  
you give me a kiss every kiss is a test  
you don't really want my love all you want  
is my head stuffed and mounted on your wall

i try to plead with you  
but you don't listen at all  
you treat the end of romance as though it's  
apocalyptical  
love's been around the bend  
i've got to make this nightmare end

(SOLOS: trumpet, skat)

i'm being stalked by you,  
i'm pursued by a woman determined to have her way  
with me  
i've got to make her see
