These are crazy crazy crazy crazy nights
These are crazy crazy crazy crazy nights

People try to take my soul away
But I dont hear the rap that they all say
They try to tell us we don't belong
That's alright, we're millions strong
This is my music, it makes me proud
This is my people, these are my crowd

These are crazy crazy crazy crazy nights
These are crazy crazy crazy crazy nights

Sometimes days are so hard to survive
Million ways to bury you alive
The sun goes down like a bad bad dream
You're wound up tight gotta let off steam
They say they can break you again and again
If life is a radio, turn it up to ten

These are crazy crazy crazy crazy nights(yeah)
These are crazy crazy crazy crazy nights
These are crazy crazy crazy crazy nights(nights)
These are crazy crazy crazy crazy nights

They try to tell us we don't belong
That's alright, we're millions strong
This is my people, you are my crowd, this is our music,
and I love it loud

These are crazy crazy, crazy, crazy nights(yeah)
These are crazy crazy, crazy, crazy nights
These are crazy nights
These are crazy nights
