Threw a stone
You're surrounded by glass
You need to get out of this place
' cause it's holding you back

So, baby run
-run like the wind
Look at what you're leaving behind
Nothing more than a hole in the ground

It's too late
There's nothing to hold on to
It's so sad
' cause everything's shut down
It's too bad
' cause everything you had was here
You find yourself lost in despair

So take a dive
You're surrounded by water
You need to find peace of mind
It won't kill you if you give it a try

So, baby run
-run like the wind
Look at what you're leaving behind
Nothing more than a hole in the ground

It's too late
There's nothing to hold on to
It's so sad
' cause everything's shut down
It's too bad
' cause everything you had was here
You find yourself lost in despair

You find yourself lost in despair
You find yourself lost in despair
