take a look at yourself
you give me goosebumps down my spine
i cannot focus what's important
because of you

and when you smile to me
well i cannot breathe
i end up laughing with you
not knowing what the joke was about, yea

you're on my mind
you're on my mind
you're on my mind all the time

you're on my mind
you're on my mind
you're on my mind all the time

have you ever considered
not being so friendly to everyone
just let go for a while
and when you try to be someone else
i end up laughing with you
not knowing you all too good, oh well, but you're

on my mind
you're on my mind
you're on my mind all the time

you're on my mind
you're on my mind
you're on my mind all the time

tell me a story that i want to hear
whisper in my ears
some words for many years

on my mind, you're on my mind
you're on my mind all the time

on my mind, you're on my mind
you're on my mind all the time
