Don't, don't disappoint me
I've done nothing wrong
But to support you

You create a wall
That's too hard to crack
I cannot reach you
And I cannot go back, yeah

New boarders to bend the rules
New lifestyle, to make you new
Those sad eyes, when I'm with you
I've lost you, hell, I've lost you

Wake up and smell the roses
We had it all going our way
But now it hurts to tell you
Oh my god, it hurts to tell you, yeah

Wake up and smell the roses
This was too good to be true
So now it's time to say it
I've lost you, hell, I've lost you

You, you call me
Old habits die slowly
And they're hard to give up

New boarders to bend the rules
New lifestyle, to make you new
Those sad eyes, when I'm with you
I've lost you, hell, I've lost you

Wake up and smell the roses
We had it all going our way
But now it hurts to tell you
Oh, my God, it hurts to tell you, yeah

Wake up and smell the roses
This was too good to be true
So now it's time to say it
I've lost you, hell I've lost you

New boarders to bend the rules
New lifestyle, to make you new
Those sad eyes, when I'm with you
I've lost you, hell I've lost you

Wake up and smell the roses
We had it all going our way
But now it hurt to tell you
Oh my god, it hurts to tell you, yeah

Wake up and smell the roses
This was too good to be true
So now it's time to say it
I've lost you, hell, I've lost you
(Wake up and smell the roses)
(Wake up and smell the roses)
