Grandpa wished that they would part  
Leave them under a naked star  
tell them what you have in mind  
Better do right...

(bridge)  
A love that never goes nowhere  
A love that never fades.

(chorus)

And still they wait, for the best to arrive  
And still they wait, for the best to arrive

Grandpa wished that many years  
would go aswell as they hoped  
A savior could come their way  
if they do right...

(bridge)  
A love that never goes nowhere  
A love that never fades.

(chorus)

And still they wait, for the best to arrive  
And still they wait, for the best to arrive

Grandpa wished that honesty  
would guide them through their whole lives  
Live to earn another start  
if they do right...

(bridge)  
A love that never goes nowhere  
A love that never fades.

(chorus)

And still they wait, for the best to arrive  
And still they wait, for the best to arrive

And still they wait, for the best to arrive  
And still they wait, for the best to arrive
