(NILSEN/DON)

Oh where have you been
I've been missing you
I've really been missing you
How am I gonna prove
This ain't no lie
This is all for real
This is how I feel inside

Slap my face
I've just received a wakeup call
Seen the meaning of it all
It sucks but hell it is real
I failed, no wonder I'm in vain
Everything is true
This song was meant for you

Oh I guess I got scared
but I went out there

Well you know me
Well you know me

It's the fool in me
That forgets everytime
It's the state of conscience
That makes me go blind
We are both the passionate one
left behind
We are gathered here
I'll be staying this time

Oh, I guess I got scared...
