Dancin' where the stars go blue
Dancin' where the evening fell
Dancin' in my wooden shoes
In a wedding gown

Dancin' out on 7th street
Dancin' through the underground
Dancin' little marionette
Are you happy now?

Where do you go when you're lonely
Where do you go when you're blue
Where do you go when you're lonely
I'll follow you
When the stars go blue
When the stars go blue

Laughing with your pretty mouth
Laughing with your broken eyes
Laughing with your lover's tongue
In a lullaby

Where do you go when you're lonely
Where do you go when you're blue
Where do you go when you're lonely
I'll follow you

When the stars go blue
The stars go blue, stars go blue

Where do you go when you're lonely
Where do you go when you're blue
Where do you go when you're lonely
I'll follow you
When the stars go blue
The stars go blue, stars go blue

Follow you
Follow you

When the stars go blue
When the stars go blue

When the stars go blue
When the stars go blue

Where do you go when you're lonely?
Where do you go when the stars go blue?
