(Wally Kurth/Christian Taylor/Jeff Silbar)

Makin' love was always touch'n'go

I'd be gone when things would get too close

There I was thinkin' I was so smart

I couldn't seem to get it through my thick heart

Chorus

If I'd have known

That her love'd feel like this

If I'd have known

It could be the way it is

I'd-a loved you sooner

If I'd-a known (known)

When you're close you make-a my heart beat faster

When it comes to romance you're the master

Thanks to you I'm feelin' so inspired

With a touch you set my soul on fire

Chorus

I'm a better man for lovin' you

You are all I wanna do

(Instrumental)

There I was thinkin' I was so smart

I couldn't seem to get it through my thick heart

Now I know better

If I'd-a known

That'er love'd feel like this

If I'd-a known

It could be the way it is

I'd-a loved you sooner

If I'd-a known

It would feel this way

If I'd-a known

I'd-a been here yesterday

I'd-a loved you sooner

If I'd-a known

I'd-a come around sooner

If I'd-a known
