I made a mistake,
girl there's no need to quit,
I'm the first to admit,
I just can't let you go like this.
Every love has a story,
But some just don't start so well,
There's a question I'm burning to ask ya,
And at least there's a story to tell,

I never meant for this to happen,
you're the sunshine in my life
I just want to hear you say
It's gonna be alright

Do you Love me too baby?
Do you love me too?

When you're there,
it feels so good
When I'm running my fingers through your hair
I know what I did was unfair, But I wanna show you how
much I care, girl let me show you where.
I'll pick you up,
I'll lay you down,
I just want you to know, you're never gonna be alone,
you're the only girl that I want around!

I never meant for this to happen,
you're the sunshine in my life
I just want to hear you say
It's gonna be alright
Don't wanna wonder what will happen,
If the stars fell from the sky,
I just want to hear you say
It's gonna be alright

Do you Love me too baby?
Do you love me too?

I never meant for this to happen,
you're the sunshine in my life
I just want to hear you say

It's gunna be alright
Don't wanna wonder what will happen,
If the stars fell from the sky,
I just want to hear you say
It's gunna be alright

Do you Love me too baby?
Do you love me too?

Do Do Oh you love me? Do you Love me?
Do you love me to?
