Livin' life, behind the walls (Brooklyn)

Yeah, welcome to Oz niggaz, surprise niggaz..

Kurupt and Daz, grips on a handle, two to the mandible

Fo's and E's, bustas and G's

Pound and Shyne, hammer quick this for me one more

Spinning Out, spinning in and out

I seen niggaz like you that usually get blasted

Cameras to remove you, lies over caskets

Open season, rhyme a reason

Smoke like sausages, niggaz covering their heads like
