[Kurupt]

Bitch Nigga, touch me, nigga, and I touch you back

Rush me nigga and I'll pop off this

And push you back, chest hit back

Shells up and the West hit back

So bitch nigga just get back

Bitch boy just don't know how to act

I'ma have to clap like an applause and make him sit
back

Cus bitch boy just wont get back

Focus like scanners, file load to memo randoms

I'ma leave ya numb, peel like bananas

[Hook]

Deal me in and I'll deal you out

Liable to put something in your mouth

Make my day and I'll make ya year

Just when you appear

You make a U-turn, and then disappear

I guess it's clear

No bitch ass bitch made muthafuckas allowed in here

Give me a pistol I'll give you a cannon
Put it to your face and then start rammin
I heard gangsta rap music, they're gonna start bannin
I'm planning, to make gangsta rap music in Canada
To shift the parameter
Quake the equator, Young Gotti muthafucka
Eminent danger, bitch nigga

My super duper, coupe maneuver
Some think I'm too cute to shoot the Rugger

[Roscoe] (2x)

Now how many hoes want nut all over they face? (Face)
Throw your hands all over the place

[Kurupt]

I can't smoke no more weed in the red form
I need to concentrate in the pill form
Call the homies, start off the swarm
Show em it's on
First one to bomb, Southern Vietnam
California Cong
Studied game like the Muslims studied a Koran
Back On The Smash, Kurupt and Daz
Two to the spleen, Kurupt and Mike Dean
The hoes gotta go, Kurupt and Roscoe
Blastin Roscoe into Young Assassins
The methods of a ridaz, Snoop and Tha Eastidaz
Two to the head, yeah, what up Fred?
With so many hoes givin all the head
Can't you see Nate and Warren G?
These the muthafuckas that be rollin with me
We control whole, patrol the streets, nigga
Inquiries of vocabulary you need
But we ignore bitches when they tryin to speak
Talking bout..

[Hook](2x)

Who's that makin that Gangsta Noize? (That's Kurupt)

Dippin through just not giving a fuck, nigga (That's Kurupt)

Gangsta's in this muthafucka givin it up (That's Kurupt)
