Hook:

We do big, do it big
Me and' yeah, we get it big!
But you,
She's about to get it

We do it big! I know she will, and who she with?
And she can get it, so can her friends!
There ain't no doubt about it, we can get it and we're
Ass dropping, pussy popping
Ladies talking, molly popping

Party in your party, 'the pose in the middle of it
Money in your pocket, cause she just want a little of it.
Stay stunning, what you wanting, me and all your little
buddies
Looking ' trouble I'm just trying to make you bubble!
I got some ounces that I'm good to smoke
She got that strawberry milk shake, the cherry Coca-
Cola body
You're the reason why I'm breaking all the rules
Got me doing everything a nigga said he'd never do!
If I ever gave a fuck about a bitch, my nigga
Oh, all that it's about to switch, my nigga!
Those jeans look at how it fits, my nigga!
All the niggas think about it pussy' my nigga!
Take it how you want it, I accept it,
I ain't mad at you, just wanna come through bucket
naked
I accept it, I respect it
It's just you and you're attractive
No attractions, I respect it, if you won't get bucket
naked.

This that, this just ain't that
She like me cause I keep it real gangsta!
I can tell!
I make her real anxious
To show me what she got under that dress.
Maybe is because I'm too gangsta
Coming through in the new shop tailor
But I'm sharp like 'who is your tailor?'
Dog hound, gang to gang, tailor!
In it to do it, way too major!...
She started talking to me, I responded back
Young godie in the building, baby roger that!
Young godie in the building, baby roger that!
