Its over, it's over  
Now we're over  
It's my turn  
Now it's over  
The game shut down, sorry

Its over, it's over  
Now we're over  
It's my turn  
Now it's over  
The game shut down, sorry

I went from canapes to boards  
Bands to no records (Sorry)  
You ain't got the Bentley with four doors  
K-U-R-U-P-T Annie  
You just bring my bottle of Rimy  
Recognize a real hit when you hear one  
Postin' up at the playboy Mansion  
I stomp like gortex, poetical gortex  
Bouncin' to jigga in California

Its over, it's over  
Now we're over  
It's my turn  
Now it's over  
The game shut down, sorry

Its over, it's over  
Now we're over  
It's my turn  
Now it's over  
The game shut down, sorry

It's the N-A-T-I..  
Aw you know the rest  
Act silly high frequently they contest  
I done tours across the seas  
And been cross the world  
I done it for all ya'll, my cats and my dogs  
It's over, cause I'm bad to the bone  
Leave'em, real diva to her own alone

I drive a Jaguar, so many different cars  
Life as a pop star, shakin'em this hard

Its over, it's over  
Now we're over  
It's my turn  
Now it's over  
The game shut down, sorry

Its over, it's over  
Now we're over  
It's my turn  
Now it's over  
The game shut down, sorry

This is how life should be  
My girl and my piece  
Don't make me remind you  
I stays VIP (Move over)  
For all my dime piece and all of my G's  
Hustlers and pimps with shiny wrist, makin' money  
It's my turn to shine and my turn to floss  
Like you played a game, I stomps the billboards  
One things for sure, G's hit the door  
Tone and Poke know, Natina does not play  
When she get on the mike she say what she got to say  
Dr.Dre and Snoop, no cause rep is ill  
From East Coast to West the unforgettable skills  
Bust from head to hand, sippin' on Rimmy Red  
Runnin' from club to club, nickels and diamond dubs  
Ready to rock spots, folds and drop tops  
Grew up in Gangsta rap, Natina be runnin' pop

Its over, it's over  
Now we're over  
It's my turn  
Now it's over  
The game shut down, sorry

Its over, it's over  
Now we're over  
It's my turn  
Now it's over  
The game shut down, sorry

Its over, it's over  
Now we're over  
It's my turn  
Now it's over  
The game shut down, sorry

Its over, it's over  
Now we're over  
It's my turn  
Now it's over  
The game shut down, sorry

Tina, Tina..  
I ain't even right this  
I didn't write this  
It's crazy
