[Radio DJ]

Hey DJ (I'm your radio)  
It's a brand new day  
Whatchu say baby?  
You wanna get down?  
You gotta get up  
And I'm your wake-up man  
The Gargamill is in your ear  
Rappin' in your ear  
On WBALL (Balls)  
It's not on your radios  
Your radio is not really on  
If it's too hot, then stay calm (Turn me on)

[Phats Bossi]

Who's the misfit stompin' through your district?  
Who's the man coming fully equipt? Who's the shit?  
Who be the head-honcho? Hit 'em low like Roberto  
Go blow-for-blow
