chorus

Time made you who you are
Live and learn to get burn
But you got to remember
This is your day

Murder fitness god is my witness
Back to old business.. something has developed
That you just can see push to bottom line ..
This is ridiculous .. fucked up this whole fucking system
No after school program
Everybody program .. terrible this is unbearable
Every other day is another one burial
.. how cant it be because the .. fucked up
Thats why you are on me .. I thought it was innocent
When Michael Jackson died I knew they are gonna kill
them
..

chorus

Time made you who you are
Live and learn to get burn
But you got to remember
This is your day

The great state of California
Broke in a mother fucker
Open up the school this summer
Kids get dumber ..
Get the dollars up
Fuck the Carrabin ..
I am talking about AK and machine..
Times get harder
You gotta be careful
Is the black man extinct
I am just trying to find
.. left behind

chorus

Time made you who you are
Live and learn to get burn

But you got to remember
This is your day
