Just sniff some cocaine off her titties

It's weird party, weird,
Sniff some cocaine off her titties

I'm in this weird party, I'm in this weird party
I'm in this weird state of mind up in this weird party
I'm in this weird party, I'm in this weird party
I got to clear this state of mind in this weird party.

Over that , that fire, that check, that molly, over get
that, get that , get that next
In the line I find now gimme that, gimme that smoke
that ..the ex, the ex
Gimme what you're working with, taling with
Gimme what you 'said she..

Weird, she wet
Over there'getting there in a minute,
How you're feeling
Wipe her ass..

This bitch is in some other shit,
This bitch is in some other shit
I love it and I love and I love it,
Will you love it and you buzz it
Then we buzzin and we love in public, I'm f*cking

(2 x)
This bitch is in some other shit,
This bitch is in some other shit
And I love it.

This bitch is on some other shit.
She love it so public shit
Got opened up pub the shit
Got ..with Lindsay Lohan, Lohan Lohan
Oh man and I need the bitch that could s*ck the dick
and got no hands
But got the ..no program,
Mama ..your own things ..cocaine, cocaine.

Wet, wet.

This bitch is in some other shit,
This bitch is in some other shit
And I love it.
And I love it
