Let the bass kick  
(I love it, I love it, I love it)  
Come on  
(I love it, I love it, I love it)

Boy, I know that you should know by now  
That when you touch me, yeah, you truly drives me wild  
Go 'head, go down, boy, don't you be ashamed  
This is all yours, I don't wanna feel no pain

I love it when, when you lay my body down  
I love it when, when you lay my body down

Hold on real tight, baby, don't you let me go  
The more you give me, the more I love you so  
I won't hold back, boy, I know you're mine  
And if you want me, well baby, take your time

I love it when, when you lay my body down  
I love it when, when you lay my body down  
I love it when, when you lay my body down  
I love it when, when you lay my body down

Oh, when you lay my body down, my baby  
Oh yeah, when you lay my body down

I love it when, when you lay my body down  
I love it when, when you lay my body down  
I love it when, when you lay my body down
