You're such a lovely thang, you are
You're so lovely
You're such a lovely thang
Lovely, lovely, lovely

When I laid eyes on you, I nearly lost my mind
Baby, you're lookin' so fine
I just can't help myself and I've got to make you mine
Boy, when can we spend sometime?

You're such a lovely thang, yes, you are
You're such a lovely thang
You're such a lovely thang, yes, you are
You're such a lovely thang, lovely

Boy, when you're next to me, I lose my self-control
You got me under your spell
And I just can't understand what you've done to me
But baby, you're doin' it so well

You're such a lovely thang, yes, you are
You're such a lovely thang
You're such a lovely thang, yes, you are
You're such a lovely thang, lovely

Now that you know exactly how I'm feelin'
Why don't you give me a chance?
I wanna be everythin' that you need
I'll keep you wantin' more, we've got so much to
explore

Lovely , lovely, lovely, lovely thang
Lovely , lovely, lovely, lovely thang

Lovely thang

You're such a lovely thang, yes, you are
You're such a lovely thang
You're such a lovely thang, yes, you are

You're such a lovely thang

You're such a lovely thang, yes, you are
You're such a lovely thang
You're such a lovely thang, yes, you are
You're such a lovely thang

You're my cutie baby
You know you drive me crazy
With that things you do, you do

You're my cutie baby
You know you drive me crazy
With that things you do, you do

You're such a lovely thang, yes, you are
You're such a lovely thang
You're such a lovely thang, yes, you are
You're such a lovely thang
