All who are thirsty  
All who are weak  
Just come to the fountain  
Dip your heart in the stream of life

Let the pain and the sorrow  
Be washed away  
In the waves of His mercy  
As deep cries out to deep

We sing, come Lord Jesus come  
Come Lord Jesus, come  
Come Lord Jesus, come  
Come Lord Jesus, come

All who are thirsty  
All who are weak  
Just come to the fountain  
Dip your heart in the stream of life

Let the pain and the sorrow  
Be washed away  
In the waves of His mercy  
As deep cries out to deep

We sing, come Lord Jesus come  
Come Lord Jesus, come  
Come Lord Jesus, come  
Come Lord Jesus, come

Come Lord Jesus come  
Nothing but your will for me  
I am only free in you  
Nothing but your will for me  
I am only free in you, God

Come Lord Jesus come  
(Nothing but your will for me)  
(I am only free in you)  
Come Lord Jesus, come  
(Nothing but your will for me)  
(I am only free in you)

Come Lord Jesus come  
(Nothing but your will for me)  
(I am only free in you)  
Come Lord Jesus come
