Draw me close to You, never let me go
I lay it all down again
To hear you say that I'm Your friend
Help me find a way, to bring me back to You

You're all I want
You're all I've ever needed
You're all I want
Help me know You are near

You are my desire, no one else will do
No one else, could take Your place
To feel the warmth of Your embrace
Help me find a way, to bring me back to You

You're all I want
You're all I've ever needed
You're all I want
Help me know You are near

Draw me close to You, never let me go
I lay it all down again
To hear you say that I'm Your friend
Help me find a way, to bring me back to You

You're all I want
You're all I've ever needed
You're all I want
Help me know You are near

You're all I want
You're all I've ever needed
You're all I want
Help me know You are near
Help me know You are near
