Do you remember
That day of your life?
It seemed like yesterday
That joy it filled my heart

It doesn't feel the same
And I'm feeling dry
Amidst my pain

And now something's different
The times oh they have changed
The love's the same
Yet emotion's running dry

The feelings gone
I know you're still there
I guess it's just a part of life
That I must bare

It doesn't feel the same
And I'm feeling down
Amidst my pain

I see all my shame
And I'm feeling dry
But who am I to complain?
But who am I to complain?

But I'm still free
You've set me free

It doesn't feel the same
And I'm feeling down
Amidst my pain

I see all my shame
And I'm feeling dry
But who am I to complain?

It doesn't feel the same
And I'm feeling down
Amidst my pain

I see all my shame
And I'm feeling dry
But who am I to complain?
