In You, we're living
In You, we're moving
In You, we're finding who we are
In You, we're living
In You, we're moving
In You, we're finding who we are

And I worship You
Father of lights, spirit of truth
And I worship You
Jesus, we call on You
Yes, we call on You

In You, we're living
In You, we're moving
In You, we're finding who we are
In You, we're living
In You, we're moving
In You, we're finding who we are

And I worship You
Father of lights, spirit of truth
And I worship You
Jesus, we call on You
Yes, we call on You

And I worship You
Father of lights, spirit of truth
And I worship You
Jesus, we call on You
Yes, we call on You

We come to worship
With our voices
And know the love
Within Your skies

We lift our hands
And seek Your presence
And find ourselves
In who You are

And I worship You
Father of lights, spirit of truth
And I worship You
Jesus, we call on You
Yes, we call on You

I worship You
Father of lights, spirit of truth
And I worship You
Jesus, we call on You
Yes, we call on You
Jesus, we call on You
Yes, we call on You
