The world will fade away as I lift my hands  
The King is worthy of praise, is the great I am  
The joy You've given rings out as I lift my voice  
I'm captivated by Your ways, so I will worship You

You've taken me by love  
You've taken me by grace  
You've taken me away, I can't resist  
Because You've taken my heart

All creation will bow to the risen King  
All of heaven will shout and the earth will sing  
The joy You've given rings out as I lift my voice  
I'm captivated my Your ways so I will worship You

You've taken me by love  
You've taken me by grace

You've taken me away, I can't resist  
Because You've taken my heart

You've taken me by love  
You've taken me by grace  
You've taken me away, I can't resist  
Because You've taken my heart

You've taken my heart  
My heart, my heart

You've taken me by love  
You've taken me by grace  
You've taken me away, I can't resist  
Because You've taken my heart

You've taken me by love  
You've taken me by grace  
You've taken me away, I can't resist  
Because You've taken my heart

You've taken my heart  
You've taken my heart  
You've taken my heart

You've taken my heart
