I see you standing there  
I see a tear in your eye  
And why'd you turn away, why'd you run  
Run till this point of breaking

No walking away

You were the one  
That I looked to  
I never thought  
I'd see you run

I never thought I'd see you  
Turn your back on  
All you knew was right  
You turned your back on God

No walking away

And no walking away, yeah yeah  
No walking away, yeah yeah  
This time, no walking away

I see you're back again  
You'll never run again  
And this time, no walking away  
No walking away

And no walking away, yeah yeah  
This time, no walking away, yeah yeah  
This time, no walking away

I see you're back again  
You'll never run again  
And this time, no walking away, yeah yeah

This time, no walking away, yeah yeah  
This time, no walking away, yeah yeah
