I hear the voice  
Of thousands  
All gathered here  
Are they just a noise  
Soon lost in air  
Or is there more  
Is there more

You lift your hands up high  
Reaching to the sky  
Is there a reason  
Can, can you tell me why  
Or is there more  
Is there more

So let me ask you  
Can't you feel the music  
All around you  
Flashing lights  
But love can fill your mind  
Can't you feel the sounds  
Of love flow through you  
We're praising Him tonight

Can't you feel the music  
All around you  
Flashing lights  
But love can fill your mind  
Can't you feel the sounds  
Of love flow through you  
We're praising Him tonight

Some say that  
It's, it's not right  
For us to praise  
On, on this type of night  
Tonight there's more  
There's more

Time tonight  
Just more than empty words  
The songs of love

Sent to our God above  
Life is more  
There's more

So let me ask you  
Can't you feel the music  
All around you  
Flashing lights  
But love can fill your mind  
Can't you feel the sounds  
Of love flow through you  
We're praising Him tonight

Can't you feel the music  
All around you  
Flashing lights  
But love can fill your mind  
Can't you feel the sounds  
Of love flow through you  
We're praising Him tonight  
(Repeat)
