Another year has come and gone
Nothing's changed
I wasted another year
Doing the same old things

I want to break out of this
Turn my life all around
I'm going to make a vow
To repent and turn to You

I'm crying out to You now
As I make my New Year's vow
I'll tell You, I love You and I'll honor You somehow
Hear my promise to You in my New Year's vow

I give You all of me
You'll be all of my life
And I'll never think twice
To do all that You have for me in my New Year's vow

Lord, I'll do my best to do all that I say
I'm not perfect but I know, it's okay
If I stumble, You won't condemn my shame
I'm going to make a vow to repent and turn to You

I'm crying out to You now
As I make my new year's vow
I'll tell You, I love You and I'll honor You somehow
Hear my promise to You in my new year's vow

I give You all of me
You'll be all of my life
And I'll never think twice
To do all that You have for me in my New Year's vow

Whoa, yeah
It's my New Year's vow

It's a New Year, this year is different
From the other ones
It's a New Year, this year is different
From the other ones

It's a New Year, this year is different
From the other ones

I'm crying out to You now
As I make my New Year's vow
I'll tell You, I love You and I'll honor You somehow
Hear my promise to You in this New Year's vow

I give You all of me
You'll be all of my life
And I'll never think twice
To do all that You have for me in my New Year's vow

Whoa, yeah
It's my New Year's vow
My New Year's vow
It's my New Year's vow
My New Year's vow
It's my New Year's vow
My New Year's vow
