"You Are Everything"

When every step is so hard to take
And all of my hope is fading away
When life is a mountain that I can not climb
You carry me, Jesus carry me.

You Are strength in my weakness
You are the refuge I seek
You are everything in me time of need
You are everything, You are everything I need

When every moment is more than I can take
And all of my strength is slipping away
When every breath gets harder me
You carry me, Jesus carry me

You Are strength in my weakness
You are the refuge I seek
You are everything in me time of need
You are everything, You are everything I need

I need You
You are everything I need
I love everything about You

You Are strength in my weakness
You are the refuge I seek
You are everything in me time of need
You are everything, You are everything I need
