Tidjan  
Ya, ya, take it out  
I know what you've been hoping  
Give me a token  
Let me take you to the land of fantasy like J double R  
Tolkien  
What's smokin'?  
Must be da rytmiksoldaz of da Kwan  
Padam! (boom!)  
Blow it up armageddon  
Primarily my neccesity is to honour the heritage and  
legacy of  
The Rasmus, Killer, Kwan Dynasty  
And keep it tight I swear  
Now put your hands in the mothafuckin air  
Chorus:  
Fist up (fist up)  
Fist up (fist up)  
Fist up  
Put cha put cha fist up (fist up)  
The time has comma street beat tight no doubt to show  
you what  
Kwan is all about  
Fist up (fist up)  
Fist up (fist up)  
Fist up  
Put cha put cha fist up (fist up)  
The time has comma street beat tight no doubt to show  
you what  
Kwan is all about  
If you can't stand it  
That I'm independent  
I
