MC Mariko
A ga ga ga a ga ga ga
Again
Five six seven
Eight nine ten, yo
Anyone is able to rock the turntable
And take the mic and plug it in and begin
Another soundboy dyin'
Digedy down the Kwan
I started masterhymin' grindin' brains
By razor sharp thoughts
You can scream nobody hears you
I'm near you
What can you do?
Boo!

Tidj?n
Let me come one time with my jump up style
A style of hectic music makes you jump up to the sky
And even further
If you have the courage to
Let your body discover some undiscovered vibes to
Have a good time
Relax
Yo and listen the rhyme
Of a man called Tidj?n
Comin' straight out of the mind
I redefine
I here to settle the score
And I want
Mo mo mo-mo

[Chorus]
The rings, the blings, the pool, the palace
The cars, the ladies - live large
Parties, honeyz, caviar, Frech cheese

Money and a fame and champagne

The rings, the blings, the pool, the palace
The cars, the ladies - live large
Parties, honeyz, caviar, Frech cheese
Money and a fame and champagne

Aha, aha, aha, aha Everybody wants to be an MC
Aha, aha, aha, aha Everybody wants to be an MC

'Cause I want mo
Diamonds, pearls and pools and jewels and long hard
nails and blings and...
