I can feel what you have inside  
But you lie to yourself  
Look into my eyes 'cause you have it all  
You know it too, so why don't you  
Do something about it baby don't deny  
Could you even try  
Break the wall to face it all  
What can I do, for you to believe me?  
For you to believe me?

Chorus(x2):

I can see the shine,  
I can see the shine in you  
I can see it in your eyes  
So why don't you, do something?

You wont lose it baby don't be afraid  
There will be a day, when is too late  
You say that you don't believe in love  
But love is already in you  
Don't wait too long there will be no sing  
'cause deep inside of your mind you want to  
Or am I wrong? I don't think so tell me  
What can I do, for you to believe me?  
For you to believe me?

Chorus

Rap:

What does you heart say, what do you fear  
Why do you always push away  
Whay this unessesary tears  
What does you heart say, what do you fear  
Why do you always push away  
Whay this unessesary tears  
Now, I can see the shine but you're only  
Wasting time putting yourself away in questions  
Denying libration of you mind  
You kinda, know you have talent  
You kinda, know you exploid it  
But you do nothing do yourself a favour  
Don't avoid it, so so so so, what'ya what'ya

Gonna do do do?

Do something, do something,  
About it do something, do do something

Chorus
