As attainable as where the ring of smoke  
where the finger be swirling at all on it's own.  
There's no point in trying, in calling you back  
but taking control of the following act  
I've been sensing a tension in your delay  
hesitation in drawing the velvet drop  
There's no way of unravelling the plot  
without taking the slide in the rabbit hole with me

Are you ready to play the game  
Ready to lose it all  
Sure you want to play  
this tainted love  
Ready to play the game  
Ready to lose it all  
Sure you want to play  
this tainted love  
Ready to play the game  
Ready to lose it all  
Are you sure you want to play

Should you give me a moment and let me think  
I will come up with something you can't resist  
demonstrating myself in a certain way  
with the lighting so subtle and perfectly dim  
A suggestion of mine which you will not take  
is to pack your belongings and steal away  
for the play is in progress and what's to come  
may not be your thought of marvelous fun  
at all

Take this moment, don't reason it through  
Leave all caution, fall for my need  
Let me see
