Was goin on girl... I'm still wonderin where u been at. U havent left, never change like the seasons.

Thought of explanation said u needed lil bit of time and space to collect your thoughts together cause mine keep changing like the weather, there's no more summer cause the sun ain't shinin and now I'm stayin under where nobody else can find me, to know that your comin back so I'm gon' be here where u left me at.

I'm so in love with you(So in love)  
The skys no longer blue, I'm checkin out the forecast  
tell her where the storm lasts. That's why I'm lookin out the window.  
In my wondow. Searchin where the wind blows. Left me stranded in the cold waitin for the seasons to change.  
Tell me why, tell me where the hell you'd go(and why why why)and why'd you leave me all alone. Your the only one for me, no ones gonna love me like you, so I'm waitin for the seasons to change.

Runnin thru my head I'm missin you, I hear your voice girl all the time. And I don't know what I'm gonna do without your love... I feel like I'm gonna break down. It's like the leaves fallin in autoum, as my hearts layin on the ground, I'm waitin for the wind to pick me up again, but it's no where to be found.

I'm so in love with you(said I'm so in love)  
The skys no longer blue(no longer blue)  
I'm checkin out the forecast, tell her where the storm lasts, until then I'll still be in love.  
Lookin out my window(lookin out my wondow)  
Searchin where the wind blows  
Left me stranded in the cold, waiting for the seasons to change. Tell me where the hell you'd go, and why'd you leave me all alone.  
Your the only one for me no ones gonna love me like you so I'm waitin for the seasons to change.

Said I'm waitin oooohhhh

From January to February all the way to December  
change. Waitin for you baby, said I'm waitin for you  
baby, waitin for you baby.

Lookin out my window(lookin out my wondow)  
Searchin where the wind blows  
Left me stranded in the cold(stranded), waiting for the  
seasons to change. Tell me where the hell you'd go(Tell  
me where the hell you'd go), and why'd you leave me  
all alone(why'd you leave me all alone).  
Your the only one for me no ones gonna love me like  
you so I'm waitin for the seasons to change.

Waitin for the season to change.
