Africa, unite  
Cause were moving right out of babylon  
And were going to our fathers land

How good and how pleasant it would be  
Before God and man, yeah  
To see the unification of all africans, yeah  
As it's been said already let it be done, yeah  
We are the children of the rastaman  
We are the children of the higher man

Africa, unite cause the children wanna come home  
Africa, unite cause were moving right out of babylon  
And were grooving to our fathers land

How good and how pleasant it would be  
Before God and man  
To see the unification of all rastaman, yeah

As it's been said already let it be done, yeah  
I tell you who we are under the sun  
We are the children of the rastaman  
We are the children of the higher man

So, africa, unite, africa, unite  
Unite for the benefit of your people  
Unite for it's later than you think

Unite for the benefit of your children  
Unite for it's later than you think  
Africa awaits it's creators, africa awaiting it's  
Creators  
Africa, you're my forefather cornerstone  
Unite for the africans abroad, unite for the africans a  
Yard  
Africa, unite
