VERSE

She nah go cry fi no guy inna nah 3 piece suit
Nor no pretty bwoy inna nuh crisp Nike boot
She nuh ball fi nah dapper
She nuh cry fi nah doop
She she'd those lonely tears
For di little ghetto youths weh balling

Stary stary X-News and Gleaner
Foot might be dirty but his heart is much cleaner
And those politicians fightin down sensimillia
Get up every day dem want fi run this arena
Extra, extra... read all about it
Ghetto youths in need and there is no doubt about it
If baby want feed and can't do without it
Big 45 goin to scout it

CHORUS

VERSE

Jack and Jill went up the hill to sell some marijuana
Buck up the fed dey broke jack crown
And Jill came tumbling after
Little Bo peep she had lost her sheep
To thief inna di pasture
And if one try do dat again

It's goin to bring disaster
King of Kings and di Lord of Lords
Everlasting Everlaster
Inspire I and I to be a microphone blaster
We nah goin bow down to no slave master
Help di youths first and ask di question dem after
