Looking out
Across the night-time
The city winks a sleepless eye
Hear his voice
Shake my window
Sweet seducing sighs
2nd Verse
Get me out
Into the night-time
Four walls won't hold me tonight
If this town
Is just an apple
Then let me take a bite
Chorus
If they say -
Why, why, tell 'em that is human nature
Why, why, does he do me that way
If they say -
Why, why, tell 'em that is human nature
Why, why, does he do me that way
Reaching out
To touch a stranger
Electric eyes are everywhere
See that boy
He knows I'm watching
He likes the way I stare
Chorus
If they say -
Why, why, tell 'em that is human nature
Why, why, does he do me that way
If they say -
Why, why, tell 'em that is human nature
Why, why, does he do me that way
I like livin' this way
I like lovin' this way
(Instrumental section)
Looking out
Across the morning
The city's heart begins to beat
Reaching out
I touch her shoulder
I'm dreaming of the street

If they say -
Why, why, tell 'em that is human nature
Why, why, does he do me that way
If they say -
Why, why, tell 'em that is human nature
Why, why, does he do me that way
I like livin' this way
[Repeat chorus - ad-lib and fade-out]
